

RESOLUTION
SUPPORTING FREE CHIPS AND SALSA

WHEREAS the cuisine known as "Tex-Mex" is one of the crowning cultural glories of the Great State of Texas, and

WHEREAS the provision of chips and salsa is an essential part of the ambiance of the Tex-Mex restaurant dining experience, encouraging conviviality and promoting the consumption of refreshing beverages, and

WHEREAS there has been a trend at some establishments to charge for chips and salsa, thereby eroding our traditions and promoting a fast-food mentality among patrons;

NOW, THEREFOR BE IT RESOLVED that the State of Texas recognize the inalienable right of access to free chips and salsa for patrons of Tex-Mex restaurants, and that the Texas Legislature be directed to support this right by appropriate legislation.
